**REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

The primary reason for allowance is the inclusion of a sensor device which detects and transmits the pressure of the tire, the sensor being mountable on a valve stem of an inflatable tire of a vehicle, wherein the device includes an actuating pin which when depressed opens the valve stem, thereby allowing passage of air such that the device need not be removed in order for the pressure of the air to be adjusted as desired.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
